**Bull Moose Tube Company Meets Requirements  
of FBC™ System Compatible Program**

**Hastings, MI, USA** – Viking Group, a global leader in fire protection and life safety systems, is pleased to announce that Bull Moose Tube Company has been added to Lubrizol's "FBC™ System Compatible Program" as an approved, compatible product for use with BlazeMaster® CPVC piping systems, including BlazeMaster® CPVC manufactured by Viking Plastics.

The recent announcement includes Bull Moose Tube's "Eddy Guard II Antimicrobial Coating" as well as all mill coolants used in the company's production process. These products were subjected to rigorous testing programs which proved them to be chemically compatible for use in hybrid CPVC and steel piping systems. Additional information may be found on Lubrizol's web site for the FBC™ System Compatible program at [www.lubrizol.com/BuildingSolutions/ChemicalCompatibilityFinder.html](http://www.lubrizol.com/BuildingSolutions/ChemicalCompatibilityFinder.html).

*Bull Moose Tube Company is a manufacturer of ASTM A135/A795 steel sprinkler pipe under the trade name EDDYPIPE. Bull Moose operates seven manufacturing facilities in the U.S. and Canada. For additional information, please call 800-537-6864.*

*The Lubrizol Corporation's FBC System Compatible Program is the only known program of its kind in the industry designed to increase user confidence and help eliminate the guesswork about which products are chemically compatible. The program is in active use in the United States, Canada, Mexico, 25 European countries, the United Arab Emirates, India and China. To learn about all the chemically compatible products in the program, call (888) 234-2436, ext. 4477393 or visit [www.fbcssystemcompatible.com](http://www.fbcssystemcompatible.com).*

*Viking is a global leader in the manufacture and distribution of innovative fire protection and life safety systems. For over 90 years the company's products and services have protected lives and property worldwide from the devastating effects of fire. For more information on Viking's complete line of quality fire protection products and services, please visit [www.vikinggroupinc.com](http://www.vikinggroupinc.com) or call 800-968-9501.*
