

Trusted above all.™

Viking Products Compliant with the Buy American Act

Viking offers an extensive selection of domestically manufactured products (created with domestic and/or foreign components) for your project needs. We periodically audit our comprehensive list of domestically manufactured products to ensure they meet customer needs under the Buy American Act provisions of the Federal Acquisition Regulation.

You can view an entire list of our domestically manufactured products on our website. Scan the QR code below or head to vikinggroupinc.com/baa.
