

No thread tape, no sealant,
and no wrenching.

Streamline installation when you use
cutting-edge InstaSeal® technology.

The industry's only InstaSeal® compatible sprinkler models.

Viking SupplyNet and Viking Fabrication Services offer a fabricated pipe featuring InstaSeal fittings in welded outlets compatible with Viking's ESFR sprinklers equipped with the "Torque-Assist" cap. Additional sizes and models are also available!

Ditch the wrench
with this new
technology.
