Cap

VT110R
90 Reducing Elbow

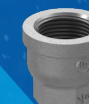

VT135
Cross

VT161
Plug

VT111
45 Elbow

VT150
Concentric Reducer

We don't offer fire protection. We define it.

We've set the standard in the fire protection industry for over a century. Customers trust us because fire protection is all we do, and making sure our customers have the support, premium product selection, training, and the lifelong manufacturing relationship they need to achieve their goals is our biggest focus.
