Recommendation – That the above units be accepted on condition that all uses, locations and installations shall comply with all applicable New York City Building Codes, rules, regulations and testing requirements, and in particular with the requirements of Subchapter 17, and RS 17-2 of the Administrative Code and on further condition that:

1. Underwriters Laboratories Inc.'s listing requirements and limitations shall be adhered to.

2. Manufacturer’s installation, maintenance procedures and limitations shall be complied with.

All shipments and deliveries of such equipment shall be provided with a metal tag, suitably placed, certifying that the equipment shipped or delivered is equivalent to those tested and accepted for use, as provided for in Section 27-131 of the Building Code.

Final Acceptance April 5, 2002
