

## EC TYPE EXAMINATION (Module B) CERTIFICATE MARINE EQUIPMENT DIRECTIVE

Certificate No.: 0832-MED-1003

This is to certify that the Loss Prevention Certification Board, as specified as a "notified body" under the terms of the Statutory Instrument 1999 No. 1957 The Merchant Shipping (Marine Equipment) Regulations 1999, did undertake the relevant type approval procedures for the equipment identified below which was found to be in compliance with the Fire protection of Marine Equipment Directive (MED) 96/98/EC as amended by Directive 2002/84/EC subject to any conditions in the annex attached hereto.

Manufacturer/ Applicant: The Viking Corporation 210 N Industrial Park Road

Hastings

Michigan 49058

USA

Product Description/

Identification:

See attached annex

Annex A.1 Item designation: A.1/3.28 - Sprinkler systems (limited to sprinkler heads and to

the method of automatic sprinkling and signalling e.g. flow

switches, alarm panels).

Specified Standard: EN 12259-1:1999 (see attached annex for applied amendments)

The examination encompassed the modules of conformity assessment of Annex B, EC Type Examination (Module B).

This Certificate is issued under the authority of the MCA under the terms stated above and remains valid for a period up to but not exceeding 5 years unless cancelled or revoked, providing the conditions in the attached annex are complied with and the equipment remains satisfactory in service.

This certificate will not be valid if the manufacturer makes any changes or modifications to the approved equipment, which have not been notified to, and agreed with LPCB.

Subject to compliance with the conditions in the attached annex, which forms part of this certificate, and those articles 10.1(i) and 11 of the Directive, the Manufacturer is allowed to affix the 'Mark of Conformity' to the product described herein. This certificate on its own, does not entitle the manufacturer to place the EU mark of conformity (wheelmark) and notified body number on the product, unless conformity assessment module D or E or F have been carried out in addition to Module B.

# Annex to EC TYPE EXAMINATION (Module B) CERTIFICATE Certificate No.: 0832-MED-1003

## SCHEDULE OF APPROVAL

Testing/ Assessment	Products marked (A1) have been tested according to EN12259-1:1999 including amendment A1:2001.  Products marked (A3) have been tested according to EN12259-1:1999 including amendments A1:2001, A2:2004 & A3:2006.					
	The technical documentation in support of this certificate is located within LPCB project files 217538, 218195, 218646 & 218647.					
Applications	These products must be installed in accordance with the manufacturers installation instructions.					
/Limitations	This Certificate does not apply to equipment which has been varied or modified from the systems tested. The manufacturer must submit modified equipment for consideration by this Agency prior to any modifications being made to equipment supplied to market					
	This certificate does not entitle the manufacturer to place the EU mark of conformity (Wheel mark) and Notified body number on the product, unless conformity assessment module D or E or F have been carried out in addition to Module B.

## EC PRODUCTION-QUALITY ASSURANCE (Module D) CERTIFICATE

MARINE EQUIPMENT DIRECTIVE
Certificate No.: 0832-MED-1004

This is to certify that the Loss Prevention Certification Board, as specified as a "notified body" under the terms of the Statutory Instrument 1999 No. 1957 The Merchant Shipping (Marine Equipment) Regulations 1999, did undertake the relevant quality assessment procedures for the equipment identified below which was found to be in compliance with the Fire protection of Marine Equipment Directive (MED) 96/98/EC as amended by Directive 2002/84/EC subject to any conditions in the annex attached hereto.

Manufacturer/ The Viking Corporation

Applicant:

210 N Industrial Park Road

Hastings Michigan 49058 USA

Scope of certificate:

A.1/3.28 – Sprinkler systems (limited to sprinkler heads and to the methods of automatic sprinkling and signalling e.g. flow switches and alarm panels).

A.1/3.49 – Nozzles for fixed pressure water-spraying fire-extinguishing systems for special category spaces, ro-ro cargo spaces, ro-ro spaces and vehicle spaces.

See attached annex.

The examination encompassed the modules of conformity assessment of Annex B, Production quality assurance (Module D).

This Certificate is issued under the authority of the MCA under the terms stated above and remains valid for a period up to but not exceeding 5 years unless cancelled or revoked, providing the conditions in the attached annex are complied with.

This certificate will not be valid if the manufacturer makes any changes or modifications to the approved equipment or quality management system, which have not been notified to, and agreed with LPCB.

Subject to compliance with the conditions in the attached annex, which forms part of this certificate, and those articles 10.1(i) and 11 of the Directive, this certificate, in conjunction with the EC type examination (Module B) certificate detailed in the attached annex, authorises the manufacturer of the equipment listed to affix the mark of conformity (wheelmark) as detailed in the annex.

## ANNEX TO EC PRODUCTION-QUALITY ASSURANCE (Module D) CERTIFICATE No. 0832-MED-1004

	Item	Module B type examination data		
A.1/3.28	Sprinkler systems (limited to sprinkler heads and to the methods of automatic sprinkling and signalling e.g. flow switches and alarm panels)	Number: 0832-MED- 1003 issue 3	<u>Date:</u> 25 May 2007	Notified Body: LPCB No. 0832
<u>Description:</u> Sprinkler models F-1, N-2, M Microfast, H, Horizon, Horizon Mirage, M, B-1 and M/E-1.				
A.1/3.49	Nozzles for fixed pressure water-spraying fire- extinguishing systems for special category spaces, ro-ro cargo spaces, ro-ro spaces and vehicle spaces.	Number: 18984/A0 EC	<u>Date:</u> 6 Dec. 2006	Notified Body: Bureau Veritas N.B
Description: Sprinkler nozzles VK329				No. 0062

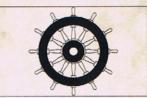

Places of production: (if different from client or where there are several)

As Manufacturer/Applicant.

#### Restrictions:

See Module B type examination certificate.

#### Example of mark of conformity

0832/xx

#### Notes

- 1. 0832 LPCB Notified Body identification No.
- 2. /xx indicates last two digits of year in which marking is applied.
