

Institutional sprinkler models offer installation advantages

Viking's line of institutional sprinklers provides installation advantages for fire protection systems in correctional facilities, mental health occupancies, or anywhere that tampering with fire sprinklers may be a concern. Available in both pendent and horizontal sidewall models, the quick response sprinklers can be ordered in either standard or extended coverage options.

Features and advantages of Viking's Institutional Sprinkler:

- Innovative wrench design allows protective cap to remain in-place during sprinkler installation, providing a more efficient installation process and better protection from potential sprinkler damage. Wrench also provides for easy orientation and alignment of sprinkler deflector
- The only institutional sprinkler available in both ordinary 165°F (74°C) and intermediate 205°F (96°C) temperature ratings
- The only institutional sprinkler where orientation and SIN are visible on the face of the sprinkler after installation
- When installed, Viking's institutional sprinklers extend only ¼ inch from the face of the finished wall or ceiling for a flush, unobtrusive appearance.
- Available in chrome, painted white, or painted gray with 3 or 4 inch escutcheons in colors to match the sprinkler. Custom colors are also available upon request

For more information, please contact your Viking sales representative or visit our website at vikinggroupinc.com.

General reference only. Prior to the design, layout, and/or installation of any sprinkler system, please refer to Viking's technical documentation and consult with the AHJ.

TECHNICAL SPECIFICATIONS

Model Number:	VK426, VK650, VK427, VK651
Base Part Number:	19663, 22885, 19876, 22884
Listings/Approvals:	cULus
K-factor:	5.6 (81)
Connection:	Threaded 1/2" NPT 15 mm BSPT
Temperatures:	165°F (74°C) 205°F (96°C)
Operating Element:	Fusible Link
Finish:	Chrome, White, Gray
Item Price Group:	V173
Occupancy/Hazard:	Light, (VK426, VK427 also Listed for Ordinary)
Technical Datasheet:	F_032319
